Subject: FA dev/repro section

Would you be able to send me a draft copy (even if it's a little old--just whatever is most recent that you may have locally) of this section so I can at least have a bit of a barometer for references? I've asked Sue for a copy, haven't heard back yet; also stopped by and chatted with her for a few minutes this morning. Nothing seemed urgent before tomorrow's meeting but at least skimming this section beforehand I think will help structure questions/discussion.

Thanks,
Mary
